

RAMYRO Inc. Announces Acquisition of AIRA, Expanding Its Innovative Technology Portfolio and Formation of the Board of Directors

North Carolina, USA – October 10th, 2024– **RAMYRO Inc.**, a leader in Healthcare AI smart solutions, is excited to announce the acquisition of AIRA, an Egypt-based pioneering company known for its advanced healthcare artificial intelligence product line. This strategic acquisition, finalized on October 5th, 2024, aims to enhance **RAMYRO's** capabilities and drive further innovation in the industry.

With this acquisition, the new Board of Directors will be formed of:

Eng. Hossam Rady as a **Co-Founder and Chief Executive Officer**, Hossam has over 25 years of experience in Strategic Management and Product development.

Prof. Mustafa El-Attar is a **Co-Founder, VP, and Chief Technical Officer**, Mustafa has over 20 years of Biomedical Engineering experience in Academic institutions, next to his PhD from the University of Amsterdam.

Prof. Nael Osman, as a **Co-Founder and Non-Executive Board Member**, Nael has over 25 years of Biomedical Engineering and AI experience with over 60 publications, 6 US patents, and 3 inventions.

Dr. Sherif Rashed as a **Co-Founder and Non-Executive board member**, Sherif has over 25 years of experience in Sales, Marketing, and Commercialization of Innovative Med-Tech solutions.

Dr. Thanaa Mohannad is a **Co-Founder and Chief Medical Officer**, Thanaa has over 20 years of experience, a Master's in Radiodiagnosis from Cairo University, and Post Graduate Clinical Nutrition Diploma.

Eng. Ahmed Yassin, a **Co-Founder and Software Consultant**, has over 18 years of experience in software development, system architecture, and project management.

AIRA has garnered a reputation for its groundbreaking Healthcare AI applications that optimize imaging processes and enhance customer experiences. With this acquisition, RAMYRO Inc. will integrate AIRA's state-of-the-art technology into its existing product offerings, providing customers with even more powerful solutions tailored to their needs.

"Bringing AIRA into the **RAMYRO** family is a significant step in our mission to lead the market with innovative collaborative technologies," said **Hossam Rady**, CEO of RAMYRO Inc. "AIRA's expertise in Imaging AI tools perfectly aligns with our vision of transforming healthcare through technological advancements. Together, we will deliver unparalleled value to our clients and set new standards in the market."

The acquisition is expected to create new job opportunities and foster collaboration among teams, further strengthening **RAMYRO**'s position in the technology sector. Existing AIRA clients can expect a seamless transition and continued access to exceptional support and services.

"We are thrilled to join forces with RAMYRO Inc.," said **Mustafa El-Attar**, CEO of AIRA. "This partnership will enable us to scale our solutions and reach a broader healthcare AI smart solutions, enhancing the way businesses operate in the digital age."

RAMYRO Inc. remains committed to its innovation, customer satisfaction, and excellence core values. This acquisition marks a significant milestone in the company's growth trajectory and reflects its dedication to advancing technology for businesses worldwide.
